Say a few lines to a prospective actuary about your company:

The Actuarial Program at London Life is designed to motivate and reward you as you work toward becoming a Fellow of the Canadian Institute of Actuaries. The program also assists you in developing interpersonal and leadership skills to a degree where you can be considered for a management position at an appropriate time in your career.

In recognition of these goals, competitive salaries, job rotations, study time and an ongoing merit review process are provided to you.
