Say a few lines to prospective actuary about your company:

Intact Insurance Company is the largest Property & Casualty insurer in Canada. A large part of our success is rooted in our strong actuarial culture. In Toronto, the actuarial department consists of 25 members working in a team-oriented environment with an emphasis on both personal and career development. Nationwide, there are over 70 members in the actuarial departments of Intact Insurance Company or Belair Insurance Company Inc. Our size provides us with the benefit of working with one of the largest data warehouses in the industry, which assists us in developing leading products.
