

COMPANY PROFILE QUESTIONNAIRE

Name of Firm: Sun Life Financial

Cities where Actuarial departments are located: In Canada, actuarial staff are located in both Toronto and Waterloo, Ontario. We also have actuaries in the U.S., Asia, and the U.K.

Questions specific to the location responding to the questionnaire

Location: Number of Actuarial staff: We have over 500 actuarial staff worldwide, approximately half of which are in Canada.

Type of actuarial work performed at this location:

The rotation program provides actuarial students with the opportunity to broaden their actuarial and business experience and develop into well-rounded actuaries. As part of this program, you will rotate every other year to another team within Sun Life Financial. Some examples of the actuarial work performed are pricing, valuation, ALM and risk management in a variety of areas such as Individual Insurance, Individual Wealth, Group Benefits, Group Retirement Services, Corporate Actuarial and Reinsurance.

Average number of internships offered during the year:

We offer paid internships and co-op terms throughout the year in a variety of areas within the Toronto and Waterloo offices. We also offer the same in the U.S. During your time with us, you will have challenging work and be part of the actuarial community. This includes receiving exam support, participating in education sessions, and taking part in social events. The number of internships and Co-Op positions we offer at Sun Life varies year to year. On average, we hire about 20 – 25 Co-Op students and interns each year.

Say a few lines to a prospective actuary about your company:
